Grading Tips

- If a course you teach doesn't appear on the Grade Roster or if a student is in your class but not on the grade roster- Contact your Dean's Office with the course name and number, days and times taught (example: Intro to Sociology 101 MWF 8-8:50).
- A "W" (withdraw) grade is not a grading option for faculty- Students that have finalized a drop/withdrawal will have a "W" grade displayed in the Official Grade column. Students who do not have a "W" grade displayed have not completed an official drop/withdrawal and should receive the grade earned as of the class end date.
- Audit- If a student has registered for a course as an Audit, an "AU" will be displayed in the Official Grade column of the grade roster. These should be the only students whom you choose an "AU" as a final grade.
- Incomplete Grades- Enter an "I" Incomplete grade for those students you have given extensions. An incomplete should be used only when a student is doing satisfactory work in a course but is unable, for reasons beyond control (death in the family, hospitalization of student, etc.) to complete all assigned requirements before the course end date. If you have not given an extension to a student, enter the appropriate grade earned.
