

Proper Handling & Disposal of E-cigarettes & Other Vaping Devices

Public Health
Prevent. Promote. Protect.

Always wear gloves when handling e-cigarette and vaping devices.

Place all confiscated parts into a sealed container or bag for storage. This includes:

- Batteries and Devices
- E-Liquids and Bottles
- Tanks, Cartridges, and Pods

Place all confiscated parts into a sealed container or bag for storage to be brought to a proper facility. For Richland and Wilkin Counties this includes:

- Waste Management, 1016 11th Ave S, Wahpeton ND
 - **ONLY** accepts batteries
- Wilkin County Recycling Center, 505 8th St S, Breckenridge MN
 - Will accept all parts of devices (batteries, liquid, etc) during **May-September**
- Ottertail County Recycling Center, 1115 N Tower Rd, Fergus Falls, MN
 - Accepts all parts of devices (batteries, liquid) **ALL YEAR** around during normal business hours.

DON'T

- Handle vape devices /e-cigarettes with bare hands
- Rinse or throw away in the sink
- Throw any parts or devices in the trash or recycling bin
